## EDUCATION

### Bachelors of Technology in Information Technology

2021 - 2025 | •

M.S. Bidve Engineering College , Latur , *Cum* CGPA : 7.51

## PROFESSIONAL EXPERIENCE

### Web Development Intern | - BitcodeSchool

| Aug 2022 – Sept 2022

- Completed a 2 month web development internship with BitcodeSchool [Early stage Startup].
- Gained hands-on experience in web development worked as development support intern.
- Contributed in development of E-learning website using HTML, CSS, JavaScript
- Designed and developed social media marketing strategies.

## PROJECTS

### User Authentication Web Application ☐

Java, Spring MVC ,JDBC, MySQL, Lombok | 1 Month

- Designed and implemented a secure user authentication system using HTML, CSS, JSP, and Java Spring Boot.
- Utilized Maven automation tool for streamlined project management and dependency management. for Exposure to Microservices architecture.
- Developed a modular User Authentication project designed to seamlessly integrate with various applications.
- Ensured top-tier security by implementing SHA-256 encryption, OAuth2.0 authorization, and Gmail API validation. Ensured proper data tracing by the Lombok lib utilised Logs.
- Enhanced user experience by providing flexible credential validation using regular expressions (Regex).

### Vault Drive [Drive Clone] ☐

Java, Spring {MVC,JPA},Java Stream API, MySQL | 1 Apr - 30 Apr 2024

- Developed a secure user authentication system using HTML, CSS, JSP, and Spring Boot, ensuring proper validation. With additional Security of JWT , Token Auth and Log4j2.
- Implemented Spring Data JPA and MVC for efficient data management and application structure.
- Provided functionality to store user data into the server file system using Java Stream API.
- Enhanced data storage capabilities by allowing data storage into MySQL using BLOB and CLOB.
- Established a secure data storage solution replicating Drive as clone.

## SKILLS

- Programming Languages :Java (Including Java 8 Stream API).
- Technologies : HTML, CSS, JSP, SQL.
- API/Framework : Spring Boot, Spring JDBC, Spring MVC ,Spring Data JPA , Lombok , JWT , Token Auth .
- Databases : MySQL .
- Tools / Platforms : Maven, Github, IntelliJ Idea, Eclipse.
- CourseWork : Data Structures and Algorithms (DSA), Database Management System (DBMS), Object Oriented Programming Concept (OOPS).

## CODINGPROFILES

- **Leetcode** : [Ritesh Ghatge](#)
- **Codechef** : [ritesh\\_ghatge](#)
- **GeeksForGeeks** : [riteshghaag8d](#)

## ACHIEVEMENTS

- Solved 450+ problems on various coding platforms and participated in 30+ contests.
- Achieved a maximum rating of 1624 on Leetcode and solved 180+ problems
- Hold the Institute rank- 7 on Geeks for Geeks.
